2016 Registration Night & Annual Meeting

Oct 6th, 7:00 pm, LCC Lounge
Registration from 7-8 pm, Annual Meeting to follow

Facility Under Construction!

As you may already be aware we are under renovations. Access to the curling club & lounge is limited to the **west side door only**. This will be in effect for a large portion of our season. This will be a small inconvenience for the upgrades that we will soon benefit from, so please bear with the growing pains this season.

Staff

We are extremely pleased to have Myra Winslow returning as club manager for the third season. Myra is doing a fantastic job keeping the curling club running smoothly. She will be in the office starting the 26th of September. The preseason office hours are 10-12 and 1-4 Monday to Thursday.

We are also happy to have Chris Carnes returning as head ice technician. Chris is back for another season to make great ice for us.

We are very excited about our team this year.

A Note about Ice Conditions

Two things that we can all do to help keep our curling ice in great condition is to replace your gripper and remember the carpet is not for cleaning your broom. The general rule of thumb is to replace your gripper every year if you curl once a week. This also helps to prevent slips and injuries. We have an assortment of grippers available for sale in the pro shop.
